

Manhattan Surveying, P.C. has been providing construction engineering, surveying and stakeout for new building construction and rehabilitation projects since 1988. Our primary clients are developers, architects, construction managers and general contractors in both the public and private sector throughout the New York Metropolitan Area. We perform layout surveys, as-built surveys, optical monitoring and topographical, architectural and title surveys.

We are seeking an experienced full time CAD Technician at our Manhattan office to become a part of our team! Our office is a short walking distance from Penn Station and Port Authority. Please email your resume for immediate consideration to: [jobs@manhattansurveying.com](mailto:jobs@manhattansurveying.com)

**QUALIFICATIONS:**

Experience in AUTOCAD, Word, Excel required.  
Previous experience in construction surveying drafting a plus.

Manhattan Surveying, P.C. is an Equal Opportunity/ Affirmative Action Employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, disability, or protected veteran status.
